For the purpose of avoiding the unnecessary cost to vendors, producers, or consumers resulting from the movement of qualifying milk pursuant to the foregoing provisions of this section and in lieu of requiring vendors to transfer to other vendors such quantity of qualifying milk in any class received by them from their producers as will ensure that each vendor shall market the same proportion of the volume of each class of qualifying milk, the producer price resulting from the computations mentioned in sections 19, 20, 22, 23, and 25 hereof is fixed as one price for qualifying milk so that each vendor will pay to each producer the same price for qualifying milk:

"(i) On or before the fifteenth day after the end of the month during which the milk was received, every vendor shall pay to the Board the amount by which the value of milk received by him as calculated under section 18 hereof is greater than the amount which he must pay to producers in complying with sections 19, 20, 22, 23, and 25 hereof:
